

# CRUISE COMPASS

## Allure of the Seas®

**DAY 3** Tuesday, November 18, 2014  
Today we are in: Labadee, Haiti

### WELCOME TO LABADEE OUR VERY OWN PRIVATE PARADISE

On the north coast of Haiti sits a tropical haven we can call our own. Set amid spectacular mountains and lush foliage, Labadee, our first port of call, is reserved exclusively for Royal Caribbean International guests. Though privately owned, this breathtakingly beautiful destination still retains much of its local color. In 1492, the island was discovered by Christopher Columbus on his first voyage to the New World. Originally named "La Isla Española", it was later colonized by the French, whose influence is still prevalent in both culture and language. As you venture ashore to the white sandy beaches of Labadee, you'll undoubtedly appreciate its natural beauty. Spend the day basking in the sun, or engage in one of the many water sports available. Read on to learn more about all the fun things you can do while onshore.

### NOTICES

**Health Advisory – Diseases Spread by Mosquito - Chikungunya:** In order to reduce the risk of contracting any number of diseases spread by mosquito bite, including Malaria, Dengue Fever (especially in the Dominican Republic, Puerto Rico, India, Mexico, and Haiti), and Chikungunya (especially in Haiti, Dominican Republic, and St. Martin [both French and Dutch sides]), travelers are urged to take precautions to avoid mosquito bites by remaining in well screened or air conditioned areas when possible, by wearing clothing that adequately covers arms and legs, and by applying insect repellent to both skin and clothing. The most effective repellents are those containing DEET at a concentration of 20-30%. Although mosquitoes may bite at all times of the day or night, there are two peak periods of biting activity – in the morning for several hours after daybreak, and in the late afternoon, for several hours before dark. Mosquito repellent can be purchased in the ship's gift shop.

**Smoking Policy** – All indoor public spaces on the Allure of the Seas are smoke free with the exception of the Casino which has designated smoking and non-smoking areas. Additionally, smoking is not permitted in the staterooms or on stateroom balconies. Designated outdoor smoking areas are located on the portside of Deck 15 and 16. Electronic cigarettes or e-cigarettes are only permitted within designated smoking areas. A Cigar Bar is available nightly. Please check the Evening Planner for times and location.
