Toilet System/Vacuum System

Coral Princess, as all modern cruise ships, is equipped with an EVAC toilet system that uses the vacuum pump principle. The system is very reliable, but the pipe work is much smaller than those ashore and is sensitive to foreign objects and large amounts of toilet paper. In order to avoid blockages and subsequent inconvenience to passengers, please place any foreign objects in the waste bins and sanitary bags provided.

Save 20% when you purchase a card from any of our bar locations. \$29 + 15% gratuity for 15 cappuccinos, espressos, lattes and mochas. Ask your server.

Passenger Muster Drills must be carried out before sailing. ALL PASSENGERS must attend a general emergency exercise at their designated General Emergency Stations. This exercise is a requirement of law. At the start of the exercise, alarms will sound and broadcasts will be made, calling you to your Muster Stations as indicated on the notice on the back of your stateroom door. Please carry your life jacket with you. Do not wear it, and for safety's sake, do not allow the ties to trail on the deck. The correct method of wearing a life jacket will be demonstrated at the end of muster. The Officer's Daily Log

Meet Captain Nicoló Binetti

Captain Nicoló (Nico) Binetti was born in 1958 in the fishing town of Molfetta in southeast Italy.

Twenty years later he graduated from the Nautical School of Bari, beginning his career at sea as a Junior Officer aboard tanker ships. He joined his first passenger ship in 1988 and continued with Princess Cruises later that same year.

Since then, he has continued to serve as a Bridge Officer and Safety Officer on several ships throughout the fleet, first taking command of Coral Princess in 2004.

by Captain Nicoló Binetti

Having sailed this region numerous times, I'm convinced it offers some of the most enjoyable locales you'll find anywhere. Like so many of the places Princess Cruises® visits, Alaska captivates visitors with an unforgettable combination of natural beauty, fascinating culture and colorful history.

Most people travel to the 49th U.S. state for a chance to see towering snow-capped mountain peaks, calving glacial giants and wildlife in their natural habitat. On this cruise, you might be lucky enough to experience it all, with a little help from our incredible shore excursions. We'll be traveling to three of Alaska's frontier ports, each of which offers a wide variety of activities, from historic walking tours to exciting wildlife excursions and flightseeing over icy glaciers.

The best part about this cruise is that no matter what you do, even if you choose to stay onboard, you can enjoy breathtaking scenery in Glacier Bay National Park and at College Fjord. I urge you to spend some time out on deck and inhale the crisp, clean air of the untouched Alaskan wilderness. Explore the ports we visit and onboard, relax and enjoy the authentic Alaskan cuisine that's freshly prepared in the dining rooms, just for you. Take full advantage of all the ship has to offer and of this once-in-a-lifetime Alaskan cruise!

As Captain of Coral Princess®, I'm honored to be your host and look forward to seeing you tonight, dressed to the nines at the Champagne Waterfall Reception in the Atrium.

Time Change — Ship's clock will be set one hour back at 2:00am between Sunday night, June 15th and Monday morning, June 16th.

From the Navigator

Coral Princess will spend the day cruising the waters of British Columbia, passing through Johnstone Strait during the early morning, and reaching Pine Island Lighthouse (waypoint 4) around noon. From there, Island transit into the open waters of Queen Charlotte Sound.

*Waypoints may be found on the Alaska Cruise Companion Map and page numbers reference the Alaska Cruise Companion Book.

Dress Code

Formal - When formal nights are held, please observe the dress code in the Traditional Dining and Anytime Dining venues for the enjoyment of all our passengers.

- Evening gown, cocktail dress, or elegant pant suit for women
- Tuxedo, dark suit or dinner jacket and slacks for men.

Smart Casual - Passenger attire should be in keeping with what they would wear to a nice restaurant at home.

- Skirts/dresses, slacks, and sweaters for ladies.
- Pants and open-neck shirts for men.
 Inappropriate dinner wear such as pool or beach attire, shorts, ball caps and casual jeans (with fraying and/or holes) are not permitted in the dining rooms. Shoes must be worn.

Cruise Card Demagnetization

To avoid demagnetization, please keep your cruise card away from magnetic fields such as your camera, mobile device, etc.

Father's Day

Father's Day had just been established in the United States when Sonora Smart Dodd, a woman who was raised alongside five siblings solely by her father, brought up the idea of Father's Day. The first celebrations began in 1910, though it was not until 1966 that Father's Day was officially proclaimed a national holiday.

The legal drinking age of 21 years is observed onboard and photo ID may be required. A 15% service charge is automatically added to all bar and wine bills.

Ship's Security Notice

In order to prevent unauthorized persons boarding the ship, you are required to carry your "Cruise Card" with you when going ashore. You will be asked to produce this at the gangway when you leave and return to the ship. Please ensure that you also have a Government-issued picture ID with you before leaving the ship as you may be required to show this at security checkpoints upon your return. Do not accept or bring onboard any parcels or packages from strangers. Before boarding, you may also be asked by our Security Staff to open parcels or handbags which you are carrying.

Security Screening

All passengers returning to the ship must pass through security screening. Objects containing metal such as mobile phones, cameras, binoculars, reading glass cases, large belt buckles, batteries, electrical devices, etc. will cause the walk through metal detector to alarm and delay entry onto the ship. Such items need to be placed into the trays provided before you pass through the metal detector. Passengers with, for example, surgical metal implants, large amounts of metal jewelry, metal shoe stays, etc. may need to undergo further screening, e.g. hand-held metal detector or "Pat Search."

Toilet System/Vacuum System

Coral Princess, as all modern cruise ships, is equipped with an EVAC toilet system that uses the vacuum pump principle. The system is very reliable, but the pipe work is much smaller than those ashore and is sensitive to foreign objects and large amounts of toilet paper. In order to avoid blockages and subsequent inconvenience to passengers, please place any foreign objects in the waste bins and sanitary bags provided.

Shore Excursions: Tour office hours: 6:00am-9:30am & 4:00pm-6:30pm - Plaza Deck 5 Midship

BOOKING TOURS: There is no need to stand in line to book a tour! Just complete a Booking Form and drop it in the 24-hour Drop Box located next to the Tour Office and the tickets will be sent to your stateroom automatically. Please check the 'Sold-Out' Tours (on the plasma next to the Drop Box) prior to booking to avoid any disappointment. Tour information is also available on Channel 29 in the comfort of your stateroom!

IMPORTANT TOUR DEPARTURE INFORMATION: Passengers booked on ship's organized tours please check your tour ticket for meeting time and location.

The Officer's Daily Log

Meet Senior Doctor Dr. Liesl Kohlmeyer

Born in Bloemfontein, the Judicial Capital of South Africa, Dr. Liesl Kohlmeyer earned her medical degree from the University of Pretoria. She later worked in several medical arenas, including a rural hospital along South Africa's east coast and a trauma unit in Johannesburg.

In 2005, Dr. Kohlmeyer was promoted to Senior Doctor on Tahitian Princess. She now travels the world in search of the best possible shopping

Dr. Kohlmeyer currently resides in Pretoria, where each sunrise and sunset is the highlight of her day.

by Dr. Liesl Kohlmeyer, Senior Doctor

I hope you're feeling at home on Coral Princess®, as we're like a large family here on board. As your doctor, I'm here to take care of any medical issues that might arise during our cruise. Please do not hesitate to visit us during the clinic hours or phone 911 at any time for urgent matters.

On board our ship, it's good to remember that with many people living in close quarters, it's worth taking extra precautions to avoid spreading any germs. That's why we suggest you regularly wash your hands with soap for at least 20 seconds, and rinse them under running water. Remember to do this especially after using the restroom, after coughing or sneezing and before eating, drinking or smoking. It's also best to use your stateroom toilet instead of the public toilet facilities whenever possible.

While seasickness is surprisingly uncommon on board, if you're feeling at all sensitive to the ocean's waves, we recommend initially taking some of the over-the-counter treatments available in the boutiques. If you do not find relief from these treatments, we have a full range of prescription medications available in the Medical Center to help you fully enjoy your cruise vacation.

Ketchikan is the self-described "Salmon Capital of the World". This cozy city is just three miles long and three blocks wide, but it does not lack in options for spending your day. From Totem Bight State Park and The Great Alaskan Lumberjack Show to fishing expeditions and flight tours, there is plenty to discover in this historic

No matter what you choose to do in Ketchikan, I wish you a happy and healthy day ashore.

Telephone: 907 225 0999

Security Information: Emergency Number: 911

From the Navigator

Overnight Coral Princess entered Alaskan waters. Ketchikan, located on Revillagigedo Island, is our first Alaskan Port of Call. On departure, Coral Princess will sail north through Tongass Narrows, transiting Snow Passage (waypoint 6) around 3-4 hours after sailaway. Snow Passage is a hotspot for humpback

Returning Back Onboard

With Ketchikan being a half day call, many passengers will wish to maximize their time ashore and this naturally creates a busy gangway area when returning back onboard. In order to speed the reboarding process, we will be creating entry channels on the dock as you walk back down to the floating pontoon where the gangways will remain on deck 4 and deck 5 all day. In order to expedite our security screening inside the vessel, please have 1. Your Cruise Card ready in hand & 2. Make sure you empty all pockets of wallets, cell phones, keys, etc. in anticipation of these being passed through the security screening machines. Once back onboard, staff members will direct you to manned elevators from midday onwards (like embarkation).

Customs & Immigration Notice

Please see the Passenger Services Desk if you intend to do either of the following: 1) Disembark the vessel prior to the date shown on your cruise card.

2) Land any box, package or baggage in a port prior to your disembarkation date. Customs authorities will want to inspect these items when the ship arrives in port and will not allow any other unaccompanied items to be taken or left ashore that day.

You may be assessed severe penalties by local government authorities as well as any fines/penalties Princess Cruises may incur for your failure to adhere to either of the above requirements.

1:30pm - All aboard - Coral Princess sets sail shortly afterwards.

Meet Cruise Director Susan Rawlings

Susan Rawlings is from Sydney, Australia, where she performed with the Sydney City Ballet Company as a 15-vear-old. Passionate about dance, she completed the Royal Academy of Dancing ballet training with her letter ARAD and later toured with the Moscow City Ballet Company.

In 1985, Susan auditioned for Princess Cruises and has been sailing ever since. She thoroughly enjoys her position as Cruise Director and finds it rewarding to have turned her "first love" of dance into a fulfilling career.

Ashore, Susan enjoys ballroom dancing, playing golf and shopping.

by Susan Rawlings, Cruise Director

I like to think I've got one of the greatest jobs on board Coral Princess®. Fun is my personal responsibility. And helping you have more of it is what I do all day.

Enjoy your day in Juneau, home to some of nature's greatest wonders. Visit the 12-mile-long Mendenhall Glacier or explore an Alaskan rainforest. Glacier Gardens, complete with lush greenery and waterfalls. You'll also have the chance to pan for gold or experience dog sledding, whale watching or a flight over the Mendenhall Glacier.

Then visit our extensive onboard library to check out books on topics ranging from natural history to sports to biographies. Indulge in an exquisite spa treatment or treat yourself to a massage in the Lotus Spa®. Learn something new by participating in a wide range of popular enrichment courses. You can even gaze at the incredible works of art in our Art Gallery, and take note of any pieces you might like to bid on at our onboard auctions!

I'd also like to call your attention to the activities that make our ship one of the most entertaining spots in Alaska. Throughout our voyage, the Atrium is alive with the excitement of music and other attractions. Cinema fans can thrill to Movies Under the Stars®, including tonight's feature, Billy Joel, Live at Shea Stadium. If you love the stage, our Production Show On The Bayou is appearing in the Universe Lounge, and our Princess Pop Star competition can put you in the spotlight yourself. Meet Executive Chef Thomas Ulrich

Executive Chef Thomas Ulrich was born to Swiss hoteliers and often assisted in the hotel's kitchen as a child, demonstrating a culinary aptitude beyond his years.

Upon completing an apprenticeship in the Bernese Alps, Thomas's career led him from Switzerland to Turkey, New Zealand and Australia. An Executive Chef for 25 years, Thomas has twice served as the culinary host of the Australian Tennis Open.

Though he frequently visits his daughters in Melbourne, where he once lived, Thomas and his wife currently reside in Thailand.

by Thomas Ulrich, Executive Chef

Discover Skagway, which gets its name from the Tlingit people: "a windy place with white caps on the water." In port you can ride the historic White Pass & Yukon Railroad, which was the quickest way to travel during the Klondike Gold Rush. It climbs to nearly 3,000 feet, and you'll catch amazing views through the large picture windows as you enjoy this unique experience. Of course, there are plenty of wildlife expeditions and activities for the adventurous, including kayaking on Chilkoot Lake, rock-climbing the granite walls of the White Pass, and biking through the Alaskan rainforest.

It's been my experience while sailing the world that the personality of a region comes through clearly in its cuisine. The distinctive flavors of Alaska are no exception. From smoked and cured salmon to tender Alaskan King Crab, it's no surprise that people like to indulge in seafood when they visit Alaska. Fresh sourdough bread is also often served with meals, and you can even try reindeer sausage! You can get a taste of these dishes and other traditional fare during your visit to Skagway, as well as through the regional dishes we prepare from scratch during our voyage.

On the ship, my dedicated team of 200 crew members is always busy slicing and dicing, baking and cooking up a feast for the senses. It is my pleasure to ensure that each meal you enjoy on board is an experience to remember. Vacation is a time to relax and relish the good life, and we take pride in preparing fresh and flavorful cuisine with passion and care. Buon Appetito!

The Officer's Daily Log

Meet Maitre d'Hotel Silvio Zampieri

Silvio Zampieri hails from Adria, Italy, just inland from the Adriatic Sea.

At his graduation from Scuola Statale Alberghiera, a specialist school for hoteliers, he was offered a full-time teaching position, but Silvio turned it down for the restaurant industry. Though he later owned two successful pizzerias, he decided to work at sea, joining Princess Cruises in 1988.

Silvio spends his vacations in Vancouver, Canada, where he lives with his wife, Laura, and his sons, Gianluca and Matteo, who both have their dad's red hair.

by Silvio Zampieri, Maitre d'Hotel

Although visits to our exciting ports of call offer the chance to sample new and interesting local cuisine, we're always ready on board to provide you with plenty of fresh and flavorful options throughout the day.

For an early start, consider using your breakfast card for in-room service. For a quick snack on sea days like today, look for our soft, fresh-baked cookies and ice-cold milk on deck. Later in the day, you can always recharge with Neapolitan-style pizza at our Pizzeria or burgers and fries at our Grill.

Make sure you pop out on your balcony or up on deck as we glide through spectacular Glacier Bay National Park. You'll be treated to commentary by a Park Ranger, who will share extensive knowledge about this incredible place. Take in tidewater glaciers as far as the eye can see, snowcapped mountains, and crystal-clear waters where otters, harbor seals and whales are abundant – if you've got a powerful zoom on your camera or a pair of binoculars, now is definitely the time to break them out of your luggage!

I'd like to leave you with one more suggestion to enrich your experience during this cruise. Whether you're celebrating a birthday, anniversary or just a change of scenery, our Ultimate Balcony Dining provides a memorable breakfast or a four-course dinner with dedicated wait staff in your stateroom. In addition, I highly recommend Sabatini'sSM, which offers Italian fine dining, or our New Orleans-style restaurant, the Bayou Café & Steakhouse. All three options are available for an additional charge. Please dial 3463 for a reservation.

From the Navigator

Coral Princess will enter Glacier Bay from the waters of Icy Strait (waypoint 13). For information on the Bay see pages 240-245 of your Alaska Cruise Companion. On exiting the bay, look out for humpback whales, as Coral Princess heads for Cape Spencer (waypoint 14) and the open waters of the Gulf of Alaska.

Important Notice

During the Glacier Bay visit, no Styrofoam, plastic or paper items susceptible to blowing overboard are to be used on open decks.

Please Do Not Feed the Wildlife

The feeding of wildlife while in Glacier Bay is strictly prohibited as this may cause dependency upon that food source, which when removed, may upset the delicate balance of nature. In addition, some food items may cause illness or disease, thereby further disrupting the ecological system.

Dress Code

Formal - When formal nights are held, please observe the dress code in the Traditional Dining and Anytime Dining venues for the enjoyment of all our passengers.

- Evening gown, cocktail dress, or elegant pant suit for women
- Tuxedo, dark suit or dinner jacket and slacks for men.

Smart Casual - Passenger attire should be in keeping with what they would wear to a nice restaurant at home.

- Skirts/dresses, slacks, and sweaters for ladies.
- Pants and open-neck shirts for men.
 Inappropriate dinner wear such as pool or beach attire, shorts, ball caps and casual jeans (with fraying and/or holes) are not permitted in the dining rooms. Shoes must be worn.

Whimsical Quote of the Day

"The sea, once it casts its spell, holds one in its net of wonder forever."

- Jacques Yves Cousteau

Did you know?

As recently as 200 years ago almost all of Glacier Bay was covered by the Grand Pacific Glacier.

From the Navigator

During the early morning, Coral Princess will pass through Cape Hinchinbrook (waypoint 16) into Prince William Sound. For full details of wildlife in the Sound, consult your Cruise Companion (pages 256-266). Coral Princess will sail into College Fjord in the late afternoon and the glaciers will be in view on both sides of the ship.

We Value Your Opinion

When you return home, please look for an email from Princess Cruises that will give you the opportunity to let us know how we performed. The online survey will only take a few minutes of your time. On behalf of everyone in the Princess family, we thank you in advance for your participation, and we look forward to welcoming you back soon.

Shipboard Accounts

There is no need to line up at the Passenger Services Desk to collect a copy of your shipboard account folio. A final copy will be delivered to your stateroom in the early morning hours of the morning in Whittier. This will serve as your payment receipt.

If you have not registered a credit card you should settle your account no later than 11:00pm tonight at the Passenger Services Desk. You may also visit our convenient Folio Kiosks, located on either side of the Passenger Services Desk—simply swipe your cruise key card to obtain a copy of your shipboard account!

Most Traveled Passengers

We are proud to introduce our Most Traveled Passengers for this voyage, Mr. and Mrs. Batcheller from Richmond- BC- Canada. They have sailed 521 days with Princess, and we are pleased to have them as valued members of the Princess Captain's Circle.
