TENDERING AT CABO SAN LUCAS:

*** PLEASE READ CAREFULLY ***

- Cabo San Lucas is a Tender port which requires
tenders to take our guests ashore.
- For guests with excursions please meet at the time
and location as printed on your tour ticket.
- For guest going ashore without excursions please make
your way at your leisure to the Deck 3 Fwd gangway.
- Guests with an excursion that meets on the pier,
please allow approx 45 minutes to go ashore.
- Please be aware that early morning congestion with
our guests may occur on the gangway. To avoid this
we suggest you go ashore after 9:30am.

CAUTION: There may be people offering you water taxi rides
or independent boat tours from the pier in Cabo San Lucas.
Carnival strongly recommends against using these independent
boats and we caution that there has been at least one tragic
accident involving such boats in the past. Also, guests are
cautioned against going to or near beaches on the Pacific Ocean
side of Cabo San Lucas as there can be dangerous rip currents
and rogue waves which pose a serious danger to both persons in
the water and pedestrians within 100' of the water.
