

PLEASE READ! AS YOU DEPART...

It has been a pleasure to have you onboard with us! As you look ahead to disembark the ship tomorrow, please consider these options:

- **Option 1:** If you can safely carry off your bags, you may participate in our self assist option. Bear in mind, that you will need to physically take all your bags with you and that there may be escalators, stairs and lines to contend with.
- **Option 2:** If you wish to enjoy a little more time on the ship on Long Beach morning, please take advantage of our General or Zone Debarkation by simply leaving your larger bags outside your stateroom between 9:00pm and 11:00pm this evening.

Housekeeping will deliver your bags to the terminal while you enjoy a last cup of coffee with us.

Whatever approach you take, we want to thank you for sailing with us and wish you a safe journey home.

Here are 5 quick steps that will make your debarkation process easy...

STEP 1 - THE NIGHT BEFORE

- Review the Cruise Director's Debarkation Talk on channel #13 on your stateroom television.
- If you decide to choose option 1 (Self Assist: This is where you carry ALL of your luggage off yourselves) please keep your luggage in your stateroom until you leave on Long Beach morning. It is not necessary to place the Zone Luggage Tags on your luggage.
- If you choose option 2 (General Debark) place your large bags outside your stateroom between 9:00pm and 11:00pm tonight (the night before debarkation)

Remove all used Carnival luggage tags and attach a new Zone Luggage Tag (blue in color with a zone number) on every piece of luggage. The luggage tags will be delivered by your stateroom steward tomorrow morning. Keep the tear-off section as a reference to remember what luggage tag zone you have. Extra tags are available from your stateroom steward.

- Please remember to keep some clothes out for tomorrow's departure and hand carry any important personal items such as medication, valuables, etc.
