Helpful Health Information

Medical experts tell us that the best way to prevent colds, flu, or gastrointestinal illnesses – such as a Norovirus that can be transferred easily through person-to-person contact – is to simply wash your hands thoroughly with soap and warm water after restroom breaks and again before eating anything. Symptoms of Noroviruses include an upset stomach, vomiting and diarrhea. According to the U.S. Centers for Disease Control and Prevention and Public Health Agencies around the world, Noroviruses affect millions on land each year. In fact, the only illness that is more prevalent is the common cold. Should you experience any gastrointestinal illness, you must visit the ship's medical facility for a complimentary consultation and treatment, if necessary.

Independence of the Seas®

DISCOVER THE MANY RICHES OF GEORGE TOWN.

Whether you're diving the world-famous Cayman reefs or perusing the duty-free shops, you're sure to find an array of riches in the Cayman Islands. Today, we'll be arriving in Grand Cayman, the largest of the three islands that together form a self-governed colony under Great Britain. Columbus once called the island trio "Las Tortugas," after the turtles he found living off shore. And after that, the islands were known as the Caimanau, which is the Carib Indian word for "crocodile" used to describe the native iguanas.

Tender service in Grand Cayman

Today in Grand Cayman there will be a tender service operating to transport guests from ship to shore, with tender boats running approximately every 15 to 25 minutes. When your party is ready to go ashore, please proceed to Deck 2 Aft (using staircase/elevators at the Dining Room end of the ship). For guests that have booked a tour please proceed to the tour meeting point as specified on your ticket. Please note that in the event of heightened sea conditions and swells the tendering process can take longer. Guest safety is priority when tendering and every effort is made to ensure a safe operation. Announcements will be made during the tendering process.

Food and Beverage Hospitality Desk

For information, general inquires and table reservations, visit our Food and Beverage Hospitality desk, located on Deck 5, in front of King Lear Dining Room. Open today from 9:00 am to 4:00 pm.

Attention Groups & Families

In order to not get separated, please meet on one of the upper decks and only proceed to the gangway when you are all ready to go ashore. To avoid congestion, please do not meet your parties on the gangway due to limited space.

Shells

The shells you buy in a shop (authorized/recommended) are fine to bring onboard, as we know they have been properly cleaned and treated to prevent unwelcome effects (odor, bacteria).

Skip Airport lines and let us carry your luggage. With the Onboard Airline Check-in and Luggage Valet service, you can avoid long lines at the airport and you won't have to worry about carrying your own luggage. Enjoy more vacation time. Independence of the Seas®

DAY 4 Wednesday, April 22, 2015
Falmouth

WELCOME TO COLONIAL FALMOUTH, THE CARIBBEAN'S GEORGIAN-STYLE GEM.

Once a major port in the 18th and 19th centuries, this Jamaican town grew incredibly wealthy off of sugar production. Ships laden with sugar and rum would leave for Britain daily, just as others would arrive with slaves. It was an age of prosperity and sophistication, marked by the splendid Georgian-style "Great Houses" still perfectly intact today. On the other hand, it was an economy entirely dependent on the slave trade—an age of inhumanity overshadowed by great fortune. All that came to an end with the Emancipation in 1840, and today, it's as if time stands still in colonial Falmouth.

CRUISE COMPASS

Independence of the Seas®

WELCOME TO LABADEE, OUR VERY OWN PRIVATE PARADISE.

On the north coast of Haiti sits a tropical haven we can call our own. Set amid spectacular mountains and lush foliage, Labadee, our third and final port of call, is reserved exclusively for Royal Caribbean International guests. Though privately owned, this breathtakingly beautiful destination still retains much of its local color. In 1492, the island was discovered by Christopher Columbus on his first voyage to the New World.
