Whether it's your first time cruising with us or you're a returning guest, get ready for all the freedom and flexibility that cruising with Norwegian has to offer. With a variety of dining options, dazzling entertainment and exciting onboard activities, there are plenty of ways to make your vacation your own. Our ships are purpose built for you to explore as we take to the sea and invite you to Feel Free.

TIP OF THE DAY: Don't forget to set your clocks and watches one (1) hour back before retiring tonight (Sunday evening), also please be advised there's no playing of "Personal Speakers" permitted in any public areas, especially during the activities.

PLAY WHEN YOU WANT

From Broadway shows to dueling pianos. Live comedy to Latin rhythm. Check out our award-winning lineup of shows and show times every day by turning to page two.

HOW TO CATCH A SHOW

It is highly recommended to select show times and make reservations in advance at the Box Office (Deck 7, Fwd), by using iTV on your stateroom TV or by using any digital touchscreen.

DINE WHEN YOU WANT

With no set dining times and no seat assignments, you can dine on your time and not on a schedule. Check out our complimentary and specialty dining options in the right column. Please note that for all new reservations the 50% discount for kids at specialty restaurants no longer applies. Kids may order off of our complimentary kid's menu at no charge, or they may order from the full specialty menu and pay the full cover charge.

DO I NEED RESERVATIONS?

Although not required, we recommend making reservations at our main dining rooms and specialty restaurants to ensure you have the dining experience you want at the time you prefer. Here's how:

- Walk up to any Restaurant Hostess podium
- Stop by the Restaurant Reservations Desk (Deck 6, Mid)
- Use any digital touchscreen
- Call restaurant reservations at ext. 050

CRUISING TOWARDS A SUSTAINABLE FUTURE

To help reduce plastic waste in our oceans, Norwegian has eliminated the use of plastic straws on board and will no longer serve beverages with straws. Plastic waste, including millions of plastic straws, is harmful to marine wildlife like sea turtles and whales. Norwegian is working to preserve our oceans for the future generations through our Sail & Sustain Program. Help us create a sustainable future for our oceans and skip the straw with your next beverage.

ROATAN, HONDURAS: FUN FACT

In 1990 Roatan was a sleepy little island that attracted divers and snorkelers. About 15,000 people lived permanently on the island. The primary language was English. There were no paved roads, the island electric company was getting started and telephones were a novelty. Today the world and the island have discovered each other.

CRUISING TOWARD A SUSTAINABLE FUTURE

To help reduce plastic waste in our oceans, Norwegian has eliminated the use of plastic straws on board and will no longer serve beverages with straws. Plastic waste, including millions of plastic straws, is harmful to marine wildlife like sea turtles and whales. Norwegian is working to preserve our oceans for future generations through our Sail & Sustain program. Help us create a sustainable future for our oceans and skip the straw with your next beverage.

To help reduce plastic waste in our oceans, Norwegian has eliminated the use of plastic straws on board and will no longer serve beverages with straws. Plastic waste, including millions of plastic straws, is harmful to marine wildlife like sea turtles and whales. Norwegian is working to preserve our oceans for future generations through our Sail & Sustain program. Help us create a sustainable future for our oceans and skip the straw with your next beverage.

CRUISING TOWARD A SUSTAINABLE FUTURE

To help reduce plastic waste in our oceans, Norwegian has eliminated the use of plastic straws on board and will no longer serve beverages with straws. Plastic waste, including millions of plastic straws, is harmful to marine wildlife like sea turtles and whales. Norwegian is working to preserve our oceans for future generations through our Sail & Sustain program. Help us create a sustainable future for our oceans and skip the straw with your next beverage.
