SAY HELLO TO OCHOS RIOS, JAMAICA

Ocho Rios is Spanish for "Eight Rivers". A town in the parish of Saint Ann on the north coast of Jamaica. Scuba diving and other water sports are offered in the town's vicinity. The name "Ocho Rios" is a misnomer because there are not eight rivers in the area. It is most likely a British corruption of the original Spanish name "Las Chorreras" or "the waterfalls", a name given to the village because of the nearby Dunn's River Falls.

TIP OF THE DAY: Did you know that there is a bridge viewing room? It's located on Deck 11, Fwd, Portside

With Freestyle Cruising, you've got the freedom to create your very own story on an exciting Shore Excursion. Soak up as much adventure as you like — at your leisure.
